

Jarod Warsofsky  
General Manager  
Boston Trailer

Boston Trailer was started in 2004 by Jarod and his father, Mark Warsofsky, becoming a leader in trailer rentals, leasing and sales. They have grown to multiple locations throughout New England with a fleet of over 4,000 trailers.

Jarod grew up in Marshfield, and his family is very active with local nonprofits, creating the Teen Center at the Boys & Girls Club in memory of his cousin, Sean M. Clark. They have also donated to the clothing drive for St. Christine's Church for the past 25 years. Jarod and his three brothers have participated in the Pan Mass Challenge, and Jarod himself has run the Boston Marathon twice: for the Boston Bruins Foundation in 2010 and for the Boston Fire Department Relief Fund in 2019.

Boston Trailer and the Warsofsky other family business, M&M Transport, are also very active in the community, participating in Wreaths Across America and the Good Party for Goodwill Industries of Boston. In addition, they have donated to multiple food pantries where their trucking terminals are located throughout the U.S.
